

TWSA- Where to stay while attending a workshop.

Your workshop(s) will be held in the Kenosha Public Museum and the Civil War Museum, located on the shores of beautiful Lake Michigan. The only major hotel, within walking distance, is the Wyndham Garden Kenosha Harborside. (formerly the BestWestern Harborside).

A block of rooms has been reserved for our students under “TWSA”. Please mention that reservation when you contact the hotel.

I would also suggest that you “shop” for the best room prices on your favorite travel sites. You may be able to find even better deals than the one I was quoted.

If you are a “single” and would prefer to share hotel expenses with a roommate, I will be happy to “put you in touch” with any others who have made the same request.

If you have any questions, please call or message me @ 262-484-1261
